

Rutland Town Select Board Requests For bids

Roof Replacement Transfer Station Building

Bid Specs

Removal of old roofing. Inspect and repair roof dock as needed. Inspect and repair trim and Fascia as needed. Replace rake and drip edge. (if drip edge can be extended to keep water from running down Fascia boards that would be recommended). Replace shingles with "Ar@50" shingles, color to be same as old shingles or as close as possible. Use proper rolled roofing under shingles.

Please give description of work to be done.

Bid should cover all costs. Materials, labor, and disposal of old roofing any permits and other costs.

Bidder to supply proof of insurance and at least 2 references. Start date and length of project.

Sealed bids marked "roof replacement" may be marked or delivered to Josh Terenzini, at 181 Business Rt4 Center Rutland, Vt., 05736. No later than noon on September 1, 2017.

Bids are to be opened September 5, 2017 at regular Board Meeting.

Town of Rutland reserves the right to reject any and all bids.
